

Rx: Annual Wellness Testing

No matter what age a pet may be, annual wellness testing gives us a huge advantage. Preventive care allows us to offer options that can give pets happier, healthier lives and more quality time with their families.

- ! Here we can see the likelihood of clinically relevant abnormalities on annual wellness tests in cats.
- ! Research shows that even seemingly healthy patients had clinically relevant abnormalities

- Annual wellness screening tests can act as an early warning system to uncover health issues before your cat shows signs of illness.
- Comparing test results from year to year also helps us to better understand your cat's individual health needs.
